

# XL-Dur®

## UL AWM Style 3199 300V, 105°C (CSA Type CL1054)

### Product Description

This insulation is a chemically cross-linked polyethylene applied in a single extrusion. This construction has excellent thermal aging characteristics, moisture resistance, and solvent resistance. It provides an economic alternative to Hypalon® where extreme flexibility is not required. The insulation resists deformation when subjected to momentary high temperatures in customer assembly processes.

**Recommended maximum baking cycles:**  
24 hours @ 300°F (149°C) • 12 hours @ 325°F (163°C)  
8 hours @ 350°F (177°C)

Stranded tinned copper conductor

## UL AWM Style 3173, 3195, 3196 600V, 125°C (CSA Type CL1251)

### Product Description

This insulation is a chemically cross-linked polyethylene applied in a single extrusion. This construction has excellent thermal aging characteristics, moisture resistance, and solvent resistance. It provides an economic alternative to Hypalon where extreme flexibility is not required. The insulation resists deformation when subjected to momentary high temperatures in customer assembly processes. The 356-series of XL-DUR is recommended for Class 130(B) as motor leads.

**Recommended maximum baking cycles:**  
24 hours @ 300°F (149°C) • 12 hours @ 325°F (163°C)  
8 hours @ 350°F (177°C)

# XL-Dur® (High-Temperature) and SIS (Switchboard) Wire

## UL AWM Style 3436 and 3321 XL-Dur — 600V, 150°C (CSA Type CL1251 and AWM)

### Product Description

This series of chemically cross-linked polyethylene lead wire is available for higher temperature applications. It is UL Recognized to 600V, 150°C. As with other cross-linked lead wire, it has excellent heat aging characteristics in combination with excellent electrical and physical properties.

Stranded tinned copper conductor

## UL Type SIS — 600V, 90°C (UL)

### Product Description

For wiring switchboards, panelboards, distribution boards, including instrument and control wiring in these applications. The wire is covered by a separator for improved strippability.
